Sauvignon blanc, les vigneron (France)

A great value vin de pays d'oc with a lovely zesty sauvignon style. With the addition of a splash of crème de cassis it also makes brilliant Kir.

Chardonnay, les vigneron (France)

With very little oak, and nicely fruited, this is a medium bodied and very accessible slurper.

Rosé, les vigneron (France)

Very fruity rosé wine with a bit more body and an excellent spring bouquet. Great with appetizers, light fish dishes, summer salads or as an aperitif. One for the girls!

Merlot, les vigneron (France)

Soft gentle fruits, this is one to choose if you can't make up your mind, nice purple colours.

Cabernet sauvignon, les vigneron (France)

Soft tannins and blackcurrant fruit - great to wash down Welsh black beef or our local venison.

If you would prefer another wine from our very full, award - winning wine list we'd be delighted to advise you.
